- Annual risk assessment and NIST-aligned self-assessment
- Vertical compliance programs: HIPAA, IRS 4557 WISP, FTC Safeguards
- POA&M management with quarterly review
- Vendor security reviews and DPA/BAA management
- Board/principal reporting as regulations require

How Engagements Work

Services are delivered under the BVTech Master Services Agreement with a service-specific statement of work and the published Service Level Agreement. Every engagement begins with the new-client security audit so pricing reflects your real environment - book a 15-minute intro at bvtech.org/book.
