

CLIENT SERVICE DESCRIPTIONS

Service Description - Projects & Migrations

Fixed-scope work done on runbooks, not improvisation: migrations, refreshes, and buildouts.

Document ID	BVT-SVC-296
Version	1.0
Effective date	July 28, 2026
Document owner	Jordan Polasek, Managing Partner
Classification	Internal - BVTech LLC Confidential
Review cycle	Annual, or upon material change

What's Included

- Email and file migrations with verified counts and hypercare
- Office moves and buildouts with cutover planning
- Workstation refresh programs with certified sanitization
- Server upgrades and cloud transitions
- Every project mapped to a statement of work with milestones
- Post-project documentation delivered into your record

How Engagements Work

Services are delivered under the BVTech Master Services Agreement with a service-specific statement of work and the published Service Level Agreement. Every engagement begins with the new-client security audit so pricing reflects your real environment - book a 15-minute intro at bvtech.org/book.
