

CLIENT SERVICE DESCRIPTIONS

Service Description - BVTech Cyber Academy

Security awareness people actually complete: short monthly lessons, streaks and XP, phishing drills, and compliance reporting.

Document ID	BVT-SVC-297
Version	1.0
Effective date	July 28, 2026
Document owner	Jordan Polasek, Managing Partner
Classification	Internal - BVTech LLC Confidential
Review cycle	Annual, or upon material change

What's Included

- Monthly refreshed micro-lessons in the client portal
- Gamified completion: XP, streaks, leaderboards per team
- Quarterly phishing simulations with gentle remediation
- Manager dashboards and audit-ready completion reports
- New-hire onboarding track with policy acknowledgments
- Maps directly to training requirements in HIPAA/4557/Safeguards

How Engagements Work

Services are delivered under the BVTech Master Services Agreement with a service-specific statement of work and the published Service Level Agreement. Every engagement begins with the new-client security audit so pricing reflects your real environment - book a 15-minute intro at bvtech.org/book.
