

TEXAS LEGAL & REGULATORY

Records Retention & Destruction Schedule

How long each record class is kept and how it dies: the schedule that backs the destruction certificates and defends the company in disputes.

Document ID	BVT-TXL-212
Version	1.0
Effective date	July 28, 2026
Document owner	Jordan Polasek, Managing Partner
Classification	Internal - BVTech LLC Confidential
Review cycle	Annual, or upon material change

Schedule

Record class	Retention	Destruction
Client contracts & riders	Relationship + 6 years	Certified destruction
Invoices & financial records	7 years	Certified destruction
Incident records & breach files	6 years	Certified destruction
Backup snapshots	Per client backup policy	Automatic rotation
Employee records	Employment + 4 years	Certified destruction
Security logs & audit trails	1 year minimum	Automatic rotation
Training & compliance evidence	6 years	Certified destruction
Prospect/marketing data	2 years of inactivity	Deletion

Destruction Standard

Digital media is sanitized per NIST SP 800-88 (clear/purge/destroy by media type); paper is cross-cut shredded. Destruction is certified using BVT-FRM-263. Litigation hold suspends this schedule for affected records immediately upon notice.
