Ready-to-send notices: maintenance, outages, incidents, onboarding

Document ID: BVT-INT-067

Version: 1.0

Issued: July 02, 2026

Effective Date: _____

Planned Maintenance Notice

Subject: Scheduled Maintenance — [Client] — [Date, Time CT]

Hi [Name], we've scheduled maintenance on [systems] for [date] from [start]–[end] CT. What to expect: [brief impact — e.g., brief server reboots; email unaffected]. Why: [security updates / firmware / improvement]. No action is needed on your part. If anything looks off after [end time], contact the service desk at [phone/email] and we'll jump on it. — BVTech Support

Unplanned Outage — Initial Notice (Send Within 30 Minutes of P1)

Subject: Service Disruption — [System] — We're On It

Hi [Name], at [time] CT we identified an issue affecting [system/scope]. Our team is actively working it now. Current impact: [what users will notice]. Workaround (if any): [workaround]. Next update by: [time]. You don't need to open tickets for this issue — we'll update you as we make progress. — BVTech Support

Outage Resolution Notice

Hi [Name], the issue affecting [system] was resolved at [time] CT. Cause: [plain-English root cause]. Duration: [X hours/minutes]. What we're doing to prevent recurrence: [action]. If anyone still sees problems, reply here or call [phone]. Thank you for your patience. — BVTech Support

Security Incident Holding Statement (Use ONLY With IC Approval)

Hi [Name], we detected suspicious activity involving [general scope] and immediately took protective action, including [containment in plain English]. There is no action needed from your team right now except: [specific asks, e.g., password reset prompts are legitimate]. We are investigating thoroughly and will provide a full update by [time]. Please direct any questions to [single contact]. — [IC Name], BVTech

New User Welcome

Welcome aboard, [Name]! BVTech handles IT support for [Company]. Save us: [phone] / [email] / portal: portal.bvtech.org. How to get help: open a ticket by emailing [address] — include what you were doing, what happened, and a screenshot if you can. Urgent (can't work at all)? Call us. Your first-day checklist: sign in to email, set up MFA (we'll prompt you), and say hi when we check in later this week.

Overdue Invoice — Friendly First Notice

Hi [Name], quick note that invoice [#], due [date] for \$[amount], is showing unpaid — likely just timing. The invoice is attached for convenience; pay online at [link] or reply if anything needs correcting on our end. Thanks

as always! — BVTech Billing
