

OpsPilot Client Portal — Terms of Service

Terms governing use of portal.bvtech.org

Document ID: BVT-LGL-008

Version: 1.0

Issued: July 02, 2026

Effective Date: _____

Acceptance

These Terms of Service govern access to and use of the BVTech OpsPilot client portal at portal.bvtech.org (the "Portal"). By accessing the Portal, you agree to these Terms on behalf of yourself and, if applicable, the client organization you represent. If you do not agree, do not use the Portal.

Accounts and Security

- Credentials are personal; do not share accounts. You are responsible for activity under your credentials.
- MFA is required where offered. Notify BVTech immediately of suspected unauthorized access.
- BVTech may suspend accounts to protect the Portal or its users.

Permitted Use

The Portal is provided to active BVTech clients for ticket submission, service status, documentation access, invoicing, and related functions. Automated scraping, penetration testing without written authorization, load testing, and reverse engineering are prohibited. The Acceptable Use Policy (BVT-LGL-007) is incorporated by reference.

Data and Privacy

Portal data is processed per the BVTech Privacy Policy (BVT-LGL-009). Client retains ownership of its data; BVTech is granted a limited license to host and process it to provide the services. BVTech maintains commercially reasonable safeguards including encryption in transit.

Availability; Changes

The Portal is provided on an "as available" basis and may be modified, updated, or taken offline for maintenance. Material feature removals affecting contracted services will be communicated in advance where practicable.

Disclaimers and Liability

THE PORTAL IS PROVIDED "AS IS." TO THE MAXIMUM EXTENT PERMITTED BY LAW, BVTECH DISCLAIMS ALL IMPLIED WARRANTIES AND LIMITS ITS AGGREGATE LIABILITY ARISING FROM PORTAL USE TO ONE HUNDRED DOLLARS (\$100) OR, FOR CONTRACTED CLIENTS, TO THE LIMITS IN THE APPLICABLE SERVICES AGREEMENT, WHICHEVER APPLIES. These Terms are governed by Texas law; venue lies in Wharton or Bexar County, Texas.

Termination

Access ends when the underlying services agreement terminates or upon violation of these Terms. Sections on data ownership, disclaimers, liability, and governing law survive.
