Engagement; Work Orders

Subcontractor will perform work described in written work orders issued by Contractor (each a "Work Order") specifying site, scope, schedule, and compensation. Subcontractor is not obligated to accept a Work Order, and Contractor does not guarantee any volume of work. Accepted Work Orders are governed by this Agreement.

Performance Standards

- Perform work in a professional, workmanlike manner meeting the specifications in the Work Order, applicable codes, and manufacturer requirements (including cable certification standards where specified, e.g., ANSI/TIA-568).
- Furnish qualified, background-checked personnel; carry required licenses and permits.
- Comply with site safety rules, OSHA requirements, and end-client policies while on site.
- Provide test results, photos, and closeout documentation required by the Work Order before invoicing.
- Warrant labor for one (1) year from completion; promptly correct defective work at Subcontractor's expense.

Compensation; Invoicing

Contractor shall pay the amounts in each Work Order within fifteen (15) days after (a) receipt of a correct invoice with required closeout documentation and (b) where the Work Order is tied to a general-contractor pay application, Contractor's receipt of the corresponding progress payment (pay-when-paid; Contractor will pursue collection diligently and this clause does not excuse payment beyond ninety (90) days absent end-client dispute attributable to Subcontractor's work).

Independent Contractor; No Client Circumvention

Subcontractor is an independent contractor responsible for its own taxes, insurance, tools, and personnel. During the term and for eighteen (18) months after, Subcontractor shall not directly solicit or perform substantially similar services for any end client first introduced to Subcontractor by Contractor, without Contractor's written

consent; this restriction is limited to end clients Subcontractor actually serviced through Contractor and is agreed to be reasonable in scope under Texas law.

Insurance

Subcontractor shall maintain: commercial general liability of at least \$1,000,000 per occurrence / \$2,000,000 aggregate; auto liability for vehicles used on jobs; workers' compensation as required by law (or a Texas non-subscriber plan with occupational accident coverage and written disclosure); and, where performing low-voltage or electrical work, any coverage required by the applicable license. Contractor shall be named additional insured on CGL for work performed under this Agreement, with certificates provided before first site visit.

Indemnification

Subcontractor shall defend and indemnify Contractor and the end client against third-party claims for bodily injury, property damage, or lien claims to the extent caused by Subcontractor's work, negligence, or breach. Contractor shall likewise indemnify Subcontractor to the extent claims arise from Contractor's negligence or its inaccurate scope documentation.

Confidentiality

Subcontractor shall keep confidential all Contractor and end-client information, pricing, and site details, and use it only to perform Work Orders. Obligations survive for five (5) years.

General Provisions

Governing Law and Venue

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflict of laws principles. Exclusive venue for any dispute arising out of or relating to this Agreement shall lie in the state or federal courts located in Wharton County or Bexar County, Texas, and each party consents to the personal jurisdiction of such courts.

Dispute Resolution

Before initiating litigation, the parties shall first attempt in good faith to resolve any dispute through direct negotiation between authorized representatives for a period of thirty (30) days. If unresolved, the parties agree to non-binding mediation in Texas with a mutually agreed mediator, with costs shared equally, prior to filing suit. Nothing in this section prevents either party from seeking injunctive relief to protect confidential information or intellectual property.

Attorneys' Fees

In any action to enforce this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs as permitted under Chapter 38 of the Texas Civil Practice and Remedies Code.

Force Majeure

Neither party shall be liable for delay or failure to perform (other than payment obligations) due to causes beyond its reasonable control, including acts of God, natural disasters, utility or internet backbone failures, cyber-attacks by third parties despite commercially reasonable safeguards, epidemics, government action, or labor disputes, provided the affected party gives prompt notice and uses reasonable efforts to mitigate.

Assignment

Neither party may assign this Agreement without the prior written consent of the other, not to be unreasonably withheld, except to a successor in interest by merger, acquisition, or sale of substantially all assets, upon written notice.

Notices

Notices must be in writing and are deemed given when delivered personally, by certified mail (return receipt requested), by nationally recognized courier, or by email with confirmed receipt, to the addresses stated on the signature page or as updated in writing.

Severability; Waiver; Entire Agreement

If any provision is held unenforceable, it shall be modified to the minimum extent necessary and the remainder shall continue in full force. No waiver of any breach is a waiver of any other breach. This Agreement, together with its exhibits, schedules, SOWs, and addenda, constitutes the entire agreement between the parties regarding its subject matter and supersedes all prior discussions. Amendments must be in a writing signed by both parties. This Agreement may be executed in counterparts, and electronic signatures (including via a reputable e-signature platform) are valid and binding under the Texas Uniform Electronic Transactions Act (Tex. Bus. & Com. Code Ch. 322).

Independent Contractors

The parties are independent contractors. Nothing herein creates a partnership, joint venture, agency, or employment relationship.

IN WITNESS WHEREOF, the parties have executed this document as of the Effective Date.
