

NIST CSF 2.0 Gap Assessment Workbook

Rapid maturity assessment checklist for BVTech and client environments

Document ID: BVT-POL-044

Version: 1.0

Issued: July 02, 2026

Effective Date: _____

How to Use

Score each outcome: 0 = Not performed, 1 = Partial/ad hoc, 2 = Documented & repeatable, 3 = Managed & measured. Record evidence and an owner for every item below 2. Reassess at least annually and after major changes. This workbook condenses CSF 2.0 to the outcomes most material for small and mid-sized environments.
