

Cyber Risk Acknowledgment & Declined Recommendation Waiver

Documents client acceptance of risk for declined security recommendations

Document ID: BVT-SEC-021

Version: 1.0

Issued: July 02, 2026

Effective Date: _____

Purpose

BVTech recommends security measures based on industry standards (NIST CSF 2.0, CIS Controls). When Client declines a recommended measure, this form documents Client's informed acceptance of the associated risk.

#	Recommended Measure	Risk if Declined	Client Decision	Date
1			Accept risk / Defer to (date)	
2			Accept risk / Defer to (date)	
3			Accept risk / Defer to (date)	

Acknowledgment

Client acknowledges that: (a) BVTech explained the recommendation and the risks of declining it, including potential operational, financial, legal, and insurance-coverage consequences; (b) declining the recommendation is Client's own business decision; (c) BVTech shall not be liable for losses to the extent arising from the declined measure; and (d) Client's cyber insurance coverage may be affected by declining industry-standard controls. Client may reverse this decision at any time by written notice.

IN WITNESS WHEREOF, the parties have executed this document as of the Effective Date.
